

Catch-up Funding 2021-22

To help support children whose education was disrupted by the Coronavirus, the government has allocated a catch-up grant to our school. To find out more information about where this money will be targeted and the intended impact, please see below.

COVID19 Catch-up Premium - £16760

Amount of Grant	How will grant be used?	Actions	How will success be measured?
£10,617	Two teachers employed for extra days to provide one to one and group support.	Identify children in need of support	Children will be assessed termly to see if gap is closing
£ 6,143	To support a pupil with high level behavioural needs (after returning from lock down) by providing one to one support.	Identify child in need of support	Child will be regularly accessed.
